

The Great Canadian Snow Show

PHOTO CONTEST

New for 2024, we're launching Snow Conference Photo/Video Contests. With the addition of the contest, we're giving you a fresh format to share all the ways public works keeps communities safe, connected, and moving forward.

This year's theme, Public Works Responding, is all about showcasing how you and your team respond to keep our roads and streets clear and safe each winter.

Content suggestions for your photos and/or videos include:

- Take photos or shoot video footage of you or your team responding to an event.
- Take photos or shoot videos that celebrate your team spirit. Tip: This is a great opportunity to shine a light on members of your team who may not get as much exposure in the larger public works community!
- Take photos or capture video footage that shows off your team's snowfighting abilities in your community or municipality

Winners will be announced live at the 2024 Snow Conference!
