

2026 HEAVY EQUIPMENT ROADEO

ANNOUNCING THE 2026 ROADEO AND TRADESHOW

We are thrilled to announce the upcoming 2026 Heavy Equipment Roadeo, Tradeshow and Training Sessions. This event will take place in Selkirk, MB, May 22nd & 23rd, 2026 at the Selkirk Recreation Complex. In conjunction with **National Public Works Week**.

GET READY FOR THE ULTIMATE ROADEO EXPERIENCE!

Join us for a fun filled learning event. This is more than just a competition; it's a showcase of precision, skill, and sportsmanship that brings together the best equipment operators from across the region. There will be a treasure hunt sand pile and "Touch a Truck" for the kids, food trucks will be present.

SHOWCASE YOUR SKILLS

This is your chance to demonstrate your expertise in handling a snowplow, loader, and other equipment classes, navigating challenging obstacles, and showcasing your accuracy and proficiency.

COMPETE AMONG THE BEST:

Don't miss out on this chance to be part of a thrilling competition that celebrates the best in the field. Secure your spot now and get ready to plow your way to victory!

WIN THE TITLE:

The competitor with the highest score will be crowned the CPWA MB Champion, earning not just a title but recognition among peers and industry leaders. Prizes will also be awarded for all categories.

SUPPORTIVE ATMOSPHERE

Compete in a relaxed and encouraging environment where camaraderie and good sportsmanship are celebrated. This is an opportunity to connect with fellow operators and share best practices.

Participants must have at least a Class 5 driver's license with an Airbrake endorsement and comply with all Manitoba Highway Traffic Act rules and regulations.

SIGN UP NOW AND BE PART OF THE ACTION!

The Manitoba Chapter of the Canadian Public Works Association is proud to host the 2026 Equipment Roadeo & Tradeshow, taking place May 22–23, 2026 at the Selkirk Recreation Complex in Selkirk, Manitoba. This signature event is held in conjunction with National Public Works Week (May 17–23, 2026) and serves as one of the province’s most focused gatherings of public works professionals.

Over two full days, the event brings together representatives from municipalities, regional districts, First Nations, transportation agencies, contractors, consultants, and suppliers. These are the professionals responsible for specifying, operating, maintaining, and purchasing the equipment, materials, and services that keep Manitoba’s communities moving.

Why Exhibit at the CPWA Manitoba Equipment Roadeo

Exhibiting at the Equipment Roadeo is about more than visibility, it’s about access. The indoor and outdoor tradeshow floors place your organization directly in front of decision-makers and frontline operators in an environment designed for real conversation, practical questions, and meaningful connections.

Booth space is intentionally limited to maintain quality engagement and will be allocated on a first-come, first-served basis.

Tradeshow, Training, and Engagement in One Space

Educational and training sessions will be delivered directly within the tradeshow area, keeping foot traffic active and encouraging delegates to spend time engaging with exhibitors throughout the day. Prize draws and interactive elements will further promote consistent attendee movement and conversation across the floor.

Invitations have been extended broadly across the public works sector, including municipalities, rural communities, First Nations, contractors, and consultants, ensuring a diverse and engaged audience.

Community-Focused and Family-Friendly

The Equipment Roadeo is designed to showcase not only equipment and innovation, but also the essential role public works plays in everyday community life. Family-friendly features such as a Touch-a-Truck experience, a Treasure Hunt Sand Pile for children, and on-site food trucks create an inclusive atmosphere that connects professionals, families, and the public.

These elements help humanize the work of public works while reinforcing the value of safe, well-maintained infrastructure.

Event Details

The 2026 CPWA Manitoba Equipment Roadeo & Tradeshow will be held May 22–23, 2026 at the Selkirk Recreation Complex in Selkirk, Manitoba, in conjunction with National Public Works Week. The event will be open both days, providing extended opportunities for exhibitor engagement.

If you are considering exhibiting, sponsoring, or participating, this event offers a rare opportunity to engage directly with a focused, province-wide public works audience in a setting built for connection and conversation.

Registration details, and setup information will be released shortly. Early commitment is encouraged due to limited space.

We look forward to welcoming you to Selkirk in May 2026.

Sincerely,

A handwritten signature in black ink, appearing to read "Darren Wanless".

Darren Wanless,

President, Manitoba Chapter of the Canadian Public Works Association
